

Kiama Alpine Lodge

Kiama Alpine Lodge is situated in the heart of Thredbo Village, Australia's premier ski resort, approx. 400 kms from Sydney. Kiama Alpine Lodge is a not-for-profit facility of Kiama Alpine Club Cooperative Limited and is available for use by members and guests.

The Lodge is located in one of the most sought after locations in Thredbo Village – close to all its facilities, including shops, cafes and sporting activities. Kiama's 30 bed lodge offers modern, comfortable facilities in a self catering environment. With spectacular mountain views and car parking right at your door it is a great venue for families and group bookings.

Summer

A summer holiday in the mountains provides a wonderful change from the hot, humid summer days of the coast. Enjoy the vast meadows of alpine wildflowers, crisp clean air and mountains which invite you for invigorating walks to the top of Australia's highest peak. You can even swim in the highest lakes in Australia. Try sunrise tours, hiking, swimming, climbing and abseiling or mountain bike-riding, or simply sit on the deck with a cool drink and enjoy the view.

Mountain Biking

Thredbo is fast becoming the place to be for great mountain biking with trails for the experienced riders looking for a thrill or those wanting to explore the village. Kiama Lodge has locked bike storage and a covered bike maintenance area.

Families & Groups

The lodge is perfect for family and group get-togethers, with a newly renovated communal kitchen and dining area, spacious lounge room and BBQ area, all with panoramic views, and a games room for the kids. There is plenty to do-ride the bobsled, feed the ducks, ride the waterslide and play on the inflatable at the AIS Sports Complex pool.
